TABLE OF REVISED PAGES

The following table is included in this code as a guide for determining whether the code volume properly reflects the latest printing of each page. This table will be updated with the printing of each supplement.

Through usage and supplementation, pages in looseleaf publications can be inserted and removed in error when pages are replaced on a page-for-page substitution basis.

The “Page” column lists all page numbers in sequence. The “Revised Date” column reflects the latest revision date (e.g., “(Revised 10/08)”) and printing of pages in the up-to-date volume. A “—” indicates that the page has not been revised since the 2006 republication. This table reflects all changes to the code through Ordinance F11-2018, passed September 25, 2018.

1.25.020 Purpose.

This chapter is enacted for the purpose of providing procedures to be used in enforcing certain city of Lyons ordinances. [Ord. O5-11 § 1.020, 2000.]

Enforcement officers shall serve at the pleasure of the city council. Designation of an enforcement officer may be limited to enforcement of specific violations. The city council may revoke designation as an enforcement officer without showing cause therefor. A copy of each of the council's orders appointing an enforcement officer or officers or revoking authority of an enforcement officer shall be entered in the minutes of the city council meeting. [Ord. O5-11 § 2.010, 2000.]

1.25.050 Issuance of warnings and notification to city council.

A. The appropriate enforcement officer may issue a warning notice of an alleged ordinance violation. If issued, such warning notice shall give a brief description of the violation alleged to exist, and shall be served personally or by posting at the site of the violation, and, if the person accused of the violation is known, by certified mail to that person as well. The warning notice shall further contain the name of the city official to contact regarding the violation, the name of the person issuing the warning notice, the date the warning was issued, and a statement that failure to correct the alleged violation may result in initiation of enforcement procedures.

B. Prior to commencing legal action on an alleged ordinance violation, the enforcement officer shall inform the city council of the alleged violation. The city council shall review the alleged violation and make a determination as to whether it should be resolved by following the procedures as outlined in this chapter. Notwithstanding the foregoing, in the event that in the course of an investigation of a violation the city recorder or the enforcement officer deems the actions of the person or persons accused of the violation to be chronic, ongoing and habitual, the city recorder or the enforcement officer shall contact the members of the city council by telephone to advise them of the problem and to request their authorization to issue a citation for such violation. Upon receipt of authorization from a majority of the members of the city council, the city recorder or the enforcement officer can have the offender cited immediately. [Ord. G2-2015 § 1, 2015; Ord. 1.25.080 Enforcement by means of citation filed in circuit or justice court.

If the enforcement officer determines that enforcement of a violation defined by ordinance, statute, or administrative rule by means of a citation filed in circuit or justice court is warranted, the enforcement officer may proceed as provided in this chapter. [Ord. O5-11 § 2.050, 2000.]

B. The special costs shall be allowed to the city in the same manner as a judgment for fines. [Ord. O5-11 § 6.020, 2000.]

[Ord. O5-11 § 7.020, 2000.]

1.25.220 Effect of statement and explanation in mitigation.

If a defendant has submitted to the court any written statement in explanation or mitigation under LMC 1.25.210 or ORS 153.061, the statement constitutes a waiver of hearing and consent to judgment. The court may declare a forfeiture of the base fine amount on the basis of the statement and any testimony or written statement of the person issuing the citation or other person that may be presented to the court. [Ord. O5-11 § 7.030, 2000, as amended 10/22/2002.]

1.25.230 Fixing hearing dates – Notice to defendants.

A. If the defendant requests a hearing under ORS 153.061, or if, pursuant to LMC 1.25.240, the court directs that a hearing be held, the court shall fix a date and time for the hearing and, unless

notice is waived, shall at least five days in advance of the hearing mail to the defendant a notice of the date and time so fixed.

B. Notice to the defendant required pursuant to subsection (A) of this section shall be made in the form of a court “notice to appear” and be sent by certified mail addressed to the defendant at his last known address with postage prepaid thereon, or by other notice deemed adequate by the court to provide actual notice to the defendant. [Ord. O5-11 § 7.040, 2000, as amended 10/22/2002.]

1.25.240 Hearing discretionary with court – Exception.

A. For any ordinance violation for which a citation has been issued, the court may direct a hearing be held or may enter the appropriate judgment, impose a fine, direct that a fine be paid out of the base fine amount deposit and unless the court orders otherwise, remit the balance to the defendant or to any other person designated by the defendant.

B. No fine may be imposed in excess of the amount of base fine amount deposited unless a hearing is held. [Ord. O5-11 § 7.050, 2000.]

1.25.250 Warrant for arrest.

A. If a person cited fails to comply with the provisions of LMC 1.25.210 or ORS 153.064, or if the person fails to appear at any time fixed by the court, a warrant for the arrest of the person may be issued. A warrant issued by a circuit or justice court may be served, without further endorsement, in any county in this state.

B. No warrant of arrest may be issued pursuant to this section after a period of 60 days from the date of entry of an order declaring a forfeiture of the base fine amount or other security given by the defendant. Unless a warrant has been issued before the expiration of that period, the order of forfeiture shall be deemed the final disposition of the case. [Ord. O5-11 § 7.060, 2000, as amended 10/22/2002.]

1.25.260 Enforcement and penalties.

A. Any individual, firm or corporation, whether as principal, agent, or employee, violating any provision of a city of Lyons ordinance for which a penalty is not provided shall be punished, upon

conviction thereof, by a fine not less than \$50.00 and not more than \$1,000.

B. For purposes of this chapter, a failure to comply with any provision of a city of Lyons ordinance from day to day shall be a separate offense for each such day. [Ord. O5-18 § 2, 2018; Ord. O5-11 § 8.010, 2000.]

1.25.270 Base fine amount.

The base fine amount for each violation shall be 25 percent of the amount set out as a maximum fine by LMC 1.25.260. [Ord. O5-11 § 8.020, 2000.]

Ordinance Table

This table lists all ordinances. If an ordinance is codified, its location in the code is cited by chapter number at the end of the ordinance description. Ordinances are codified if they are general, permanent, and/or include penalty provisions for noncompliance. Additionally, certain ordinances relating to land use have been collected and printed as Appendix A and have an ordinance description indicating this. “Not codified” indicates that the ordinance could have been codified but was not for some reason (superseded by a later ordinance, codified in a separate publication). “Special” means the ordinance was special in nature or for a specific period of time (e.g., budget, annexation, tax levy, street vacation).
