Progress!

What we know:

- ✚ The contractor is pouring the sidewalk along the west side of the road today!
- ✚ A re-design of the east side was needed, just awaiting approval from ODOT. Because the sidewalk on the other side of the street was moved west, the east side project can be adjusted. Final approval of this portion of the project is expected next week.
- ✚ The block between Dogwood and Cedar is still on hold.
- ✚ Access to the Mari-Linn PTO sale is via Cedar Street, if Dogwood is closed. Just drive around the long block to find it! Go find your treasure!

Your patience and understanding, as we move through this project together, is greatly appreciated. We do apologize for the inconvenience to you all!

You're invited to stop by to view the plans and discuss the project.

If you have questions or concerns, please contact Lyons City Hall.
