

Lyons Public Library Homebound Services Policy

The Lyons Public Library offers free Homebound Service to patrons who are unable to visit the Library due to a homebound status or disability.

Any materials in circulation can be delivered including: regular and large print books, audiobooks, and DVDs. Materials will be delivered and picked up by Library staff or volunteers.

Homebound Service is at the discretion of the Library Director who will evaluate each request and verify that the patron qualifies for the service. Delivery and pickup of items are dependent on staff and volunteer availability.

The patron is responsible for items as outlined in the Lyons Public Library Circulation Policy.
